

Mr. A. W. Dulles

April 17, 1957

My guest at your talk was Colonel Eugene Prince, former head of Intelligence for the First Army. He told me that your paths crossed from time to time. As for myself, General Donovan shipped me off to the mysterious East of Kipling and Pearl Buck.

Again, I want you to know how very much I appreciated the opportunity to hear you.

With every good wish,

Sincerely yours,
